Dear Mrs Melanie Buckingham

Re: Sustainability Verification

Thank you for submitting your Safecontractor Part 2: Sustainability questionnaire.

Following my review of your information I have verified your questionnaire to run alongside your Safecontractor approval at the **Gold** level.

Please note that, unfortunately, we no longer issue certificates for the sustainability verification, however your verification level will show on the client portal to any clients that you are linked to.

Please feel free to reply directly to this e-mail with any additional information or queries.

Yours Sincerely,

SafeContractor Team
